

free training for parents AUTISM

Rotary Club Johannesburg North Central in partnership with Amazing K Therapy & Remedial Academy presents (free) training for parents raising children with Autism. The focus of our training is to assist parents of children aged 2 to 7 to create a home school; learn about behaviours and how to deal; activities you can do at home to encourage development.

Date: 28, 29, 30 October 2020
Time: 5pm to 6pm daily
Location: Webinar via Zoom
Register on: www.amazingk.co.za/rotary

28 OCTOBER	<p>Setting up a homeschool classroom for your autistic child</p> <ul style="list-style-type: none"> • Introduction to Autism Spectrum Disorder • What should you know about the learning space (ideal set-up of the homeschool classroom) • The do's and don'ts in autism homeschooling • Initial assessment (knowing where to start teaching your child) • What curriculum do I teach my autistic child
29 OCTOBER	<p>Behaviour at home</p> <ul style="list-style-type: none"> • What is an autistic meltdown and when is my child just being naughty • How do I deal with behavior at home - the right way to approach my screaming child • The power of positive re-enforcement in the classroom environment • Why is routine and a schedule so important in the autism classroom or household • Typical behaviors that can cause major problem if not dealt with from the offset
30 OCTOBER	<p>Activities that I can do with my autistic child that will benefit his/her development</p> <ul style="list-style-type: none"> • Multi-level teaching how it works and what it is • A talk about activities and how to identify teachable (what to work on and why) • Developing toys using locally available materials
